

Visitors are welcome to explore the areas marked on the map. Please avoid areas not listed. Thank you for your cooperation!

1

Visitor Center

Find the ticket and information desks, museum shop, snacks and drinks, restrooms, and picnic areas.

2

Mill & Wharf

Watch as grain is ground into flour and learn about the highly skilled work of operating and maintaining the mill, which was the responsibility of the enslaved master miller, Ceaser.

3

Beehive Oven

See “ship’s biscuits” being prepared using age-old practices.

4

Activity Center

Learn about traditional techniques for making medicines, cooking, and more.

5

New World Dutch Barn

Visit this 18th century barn, typical to the colonial period in this area.

6

Kitchen Garden

Explore the many plants, including vegetables and medicinal herbs, that the community would have grown here in the 1700s.

7

Manor House

Tour select rooms of the Manor House, including the upper and lower kitchens, and the dairy where Dina, Massy, and Sue processed butter on a commercial scale.
